**Braemar Hills / Gleason Circle / St. Patrick's Lane Neighborhood  
Roadway Reconstruction**

Dear Resident:

The following is a quick update of the project in your neighborhood:

**Neighborhood Reconstruction Schedule**

Concrete crews are replacing the concrete curb and gutter on Scotia and Tupa drives and will be finished by Monday or Tuesday next week. If this work affects you, a notice will be placed on your front door. You may not be able to access your driveway for about four days while the concrete cures. Detailed notices pertaining to parking will be distributed. Concrete crews may work on Saturday to stay on schedule.

Towards the end of next week, Northwest Asphalt will prepare the roadway surface for reclamation, the process of grinding the pavement to produce a gravel product that will be used in the new roadway. Crews will follow the grinding machine to shape and compact it in place.

**Communications**

For detailed information about the project, visit

[www.EdinaMN.gov/construction\\_braemar\\_gleason\\_stpatricks](http://www.EdinaMN.gov/construction_braemar_gleason_stpatricks). The City of Edina and Northwest Asphalt thank you for your patience and cooperation throughout the project.

Regards,

Jeff Frahm
